"It was truly one of our very best author visits ever!"

The children were so engaged and responsive....
One little boy, just 4 1/2, probably [with] Asperger's, connected with Dennis (mime character) like it was his own story and could talk of nothing else. You (Salina Yoon) really touched him and made a difference in his life! That is what I live for with author visits."
—Kris Williams, Pilgrim School, California
